Reasons to Believe

BASE MATTERS

Science-driven formulas feature **Hya10+ Complex**, a multi-functional base with 10 forms of hyaluronic acid, boosted by a powerful bioferment GFF to enhance hydration, replenish nutrients, and support recovery.

INNOVATION

Le Mieux leads the industry with innovative active ingredients and proprietary peptides that mimic natural **growth factors** and their signaling functions to promote skin health and renewal.

NO DILUTION

Le Mieux offers a wide range of concentrated serums tailored to every skin signature and season, featuring **high-performance** actives with targeted delivery.

IN-HOUSE LAB

Formula development, manufacturing, testing, and QC are conducted at our facility in **Los Angeles, California**, ensuring oversight of all stages in the production process. We do not use contract manufacturers or private label formulas.

Le Mieux

- Leader in growth factor technology
- Hyaluronic acid base innovator
- Dermatologist-approved
- Cruelty-free, no animal testing
- Sulfate-free, paraben-free
- Artificial color & fragrance free
- 70+ professional skincare awards, chosen by estheticians

Loved by Allure, Cosmopolitan, Dermascope, InStyle, Les Nouvelles Ésthétiques, New Beauty, Skin Inc., Spa & Wellness Mexicaribe, Vogue

Cleanse

Skin perfecting cleansers help remove makeup, pollution, & debris while balancing skin type, and targeting concerns.

- Targeted cleanse
- Customization

Brightening Cleanser

Illuminating cleansing gel gently removes debris and targets uneven pigmentation with mandelic acid and botanical brighteners.

- Mandelic Acid Brightens, suppresses & enhances cell turnover
- Licorice Root Extract Evens out tone & inhibits melanogenesis
- Papaya Enzymes Promotes gentle exfoliation

NORMAL TO OILY | PIGMENTATION | BREAKOUTS

PRO TIP: This gentle cleanser plays double duty and an exfoliant too!

Peptide Foam Cleanser

Gently foam away makeup and surface impurities, with age-defying peptides.

- Peptides boost hyaluronic acid & restore firmness
- Arnica flower soothes & relieves skin irritation
- Red ginseng brightens & improves circulation

ALL SKIN | DRY | SENSITIVE | DEHYDRATED

PRO TIP: Use to remove makeup and as a shave medium

Retail Exfoliation Hydroxy Acid Pads

Dissolve desmosomal bonds to reveal clearer, brighter, more hydrated skin.

- Leave on after cleansing
- Layer under moisture
- 2-3x week
- PM only

Perfect Renewal

Gentle solution with 10% mandelic acid targets congested pores and excess oil, evens out skin tone, and restores a radiant glow.

- Improves radiance
- Smooths fine lines
- Targets breakouts

DULL | PIGMENT | BREAKOUTS

PRO TIP: Apply evenings after cleansing followed by serums and moisturizer.

Mist & Tone

Toners, essences, and mists help soothe, correct, and restore hydration.

- Balance hydration
- Toners and essences
- Prep skin for serums

Iso-cell Recovery Solution

Healing mineral mist instantly soothes, supports, and hydrates stressed skin.

- Minerals improve cellular function
- Amino acids boost collagen synthesis
- Immediate relief for irritated skin

ALL SKIN | SENSITIVE | DEHYDRATED

PRO TIP: Mist post procedure to reduce irritation and redness.

BEFORE

AFTER

After 2 weeks of daily use

Essence Toner

Serum-infused toner helps brighten, soften, and smooth skin.

- Bioactive peptides signal collagen synthesis
- Brightening acerola fruit extract fights hyperpigmentation
- Beta glucan, balances moisture levels and softens skin

ALL SKIN | AGING | LINES & WRINKLES

PRO TIP: Use as an ultra-light weight moisturizer for oily skin

Serum Infusion

Super concentrated formulas and smaller molecular weights deliver visible results quickly.

- Hyaluronic Acid based
- Prescriptive
- No inflammation
- Ionized Oxygen Infuser
- Increased saturation

INGREDIENT SPOTLIGHT

Hya10+ Complex

10 FORMS OF

Hyaluronic Acid

+

***Galactomyces
Ferment Filtrate***

- Multi weight HA
- Hybrid HA
- Polymerized HA Network
- Adaptogenic capabilities
- Activates cell defense
- Downregulates inflammation

Growth Factors

Proprietary peptides target skin cell receptors to encourage repair and regeneration.

- Biomimetic
- Collagen-signaling
- Kickstart skin recovery

TGF- β BOOSTER

- (TGF- β) complex
- Breakout safe
- helps prevent collagen breakdown
- 30+ Early signs of aging
