

AGING

The Serum Trinity

Le Mieux

Transform skin with teprenone, the youth molecule. Le Mieux Collagen Peptide Serum, Brightening Serum, and Retinol Serum form The Serum Trinity, for lifting, illuminating, and smoothing. Teprenone, skin-remodeling peptides, and polydimensional hyaluronic acid, with HydraOleomicrocap Bio Technology™, create a skin-saving moisture cushion that facilitates cellular renewal and counteracts visible signs of aging.

Power Repair® Age-Correction Line

Pevonia Natural Skincare

The foundation of the skin care industry is based on skin health and nutrition. Pevonia's award-winning Power Repair Age-Correction Line is a powerful solution to combat the signs of aging and maintain healthy skin. It will not only soften fine lines and wrinkles but also replenish vital skin nutrients keeping the skin hydrated. Clients will notice a significant improvement in the firmness, elasticity, and suppleness of the skin. Pevonia will be launching a new addition to this best-selling line in late 2018: Power-Repair Rapid-Restore Neck & Chest. This power-house serum and cream duo will provide de-aging benefits to the neck and chest area for unsurpassed results.
