# Blemish Banishers

Acne products can make a big difference in a client's skin care routine.

## 1. Acne Control Kit BiON Skincare

[www.bionresearch.com](http://www.bionresearch.com)

Acne Control Kit is a three-step system that helps kill bacteria, reduce sebum production and eliminate inflammation. It includes Antibacterial Cleanser, Salicylic Glycolic Gel, Green Tea Clay Poulitice and Oil Free Moisturizing Gel.

## 2. Clear Skin Probiotic Masque Éminence Organic Skin Care

<https://eminenceorganics.com>

Clear Skin Probiotic Masque helps improve problem skin, minimize pores and leave skin soft and smooth with a blend of yogurt, stone crop, tee tree oil, marigold and kaolin clay.

## 3. Blemish Banisher Peel and Mask Pro Set DermAware

[www.dermaware.com](http://www.dermaware.com)

Blemish Banisher Peel and Mask Pro Set contains niacinamide, vitamin A and carboxylic acids to lift and remove debris while botanicals provide anti-inflammatory properties.

## 4. A & E Corrector Le Mieux Cosmetics

<http://lemieuxcosmetics.com>

A & E Corrector contains salicylic and lactic acids to gently remove pore-clogging debris, minimize acne and help prevent future breakouts.

## 5. Acne Management Kit DermaQuest

[www.dermaquestinc.com](http://www.dermaquestinc.com)

Acne Management Kit is a four-step system containing DermaClear Cleanser (2 fl. oz.), B5 Moisture Matte (0.5 fl. oz.), DermaClear Serum (0.5 fl. oz.) and SheerZinc SPF 30 (1 oz.).

## 6. Problematic Skin Care Cream Pevonia

[www.pevoniapro.com](http://www.pevoniapro.com)

Problematic Skin Care Cream contains glycolic acid, calendula and panthenol to soothe, hydrate and desensitize the skin while offering UV protection in a light, oil-free cream.
