**13. Retinoxyl Elixir**  
**A Natural Difference Skin Care**  
[www.anaturaldifference.com](http://www.anaturaldifference.com)

Retinoxyl Elixir binds natural retinal with natural cyclodextrin to penetrate skin, reduce irritation and provide sustained and uniform delivery.

**14. AHA Micro Bead Polish**  
**Aesthetic Back Bar**  
<http://aestheticbackbar.com>

AHA Micro Bead Polish contains glycolic, tartaric and malic acids as well as ultra-fine jojoba beads that do not leave micro-tears on the skin.

**15. Microderm Exfoliant**  
**Le Mieux Cosmetics**  
[www.lemieuxpro.com](http://www.lemieuxpro.com)

Microderm Exfoliant refines the skin with gentle exfoliation while eliminating surface impurities with corundum crystals and brightening botanicals.

**16. Glycolic Detox Charcoal Peel Level 3**  
**Bioelements**  
[www.bioelements.com/pros](http://www.bioelements.com/pros)

Glycolic Detox Charcoal Peel Level 3 works microscopically to dissolve surface cells and includes 25% glycolic acid, 5% lactic acid, natural buffers and strengtheners.

**17. True Beauty Peel Illuminating Eraser**  
**DermAware Bio-Targeted Skin Care**  
[www.dermaware.com](http://www.dermaware.com)

True Beauty Peel Illuminating Eraser is a TCA hybrid that brightens, plumps and gently exfoliates without downtime.

**18. Hydra Peeling Treatment**  
**Guinot**  
[www.guinotusa.com](http://www.guinotusa.com)

Hydra Peeling three-step treatment helps reduce brown spots, brighten and erase signs of aging in 45 minutes, and is customizable to skin tone.
