

PHYTO C MOLDING MASK

Brighten & Renew

Sound bite: "Free radicals better run... this mask is bursting with antioxidants."

What is it?

Vitamin-enhanced molding mask gently exfoliates to reveal softer, more youthful-looking skin. Natural botanical ingredients and powerful antioxidants minimize the appearance of hyperpigmentation for a brighter, more even-toned complexion. Features **acerola fruit** extract to help combat environmental damage and inhibit melanin production.

What does it do?

- Exfoliates, hydrates & softens skin
- Reduces the appearance of hyperpigmentation
- Balances uneven skin tone
- Provides antioxidant protection

How do I use it?

Combine mask with water at 1:1 ratio. Use spatula to blend mixture into a smooth paste. Cover eye areas with cotton pads, and apply paste onto facial area. After 20 minutes, remove mask by slowly peeling from neck toward forehead in one motion. Remove excess mask with moistened sponge or warm towel.

What skin types and conditions does it benefit?

Skin types: Dry, normal, combination

Skin conditions: Dehydration, dullness, uneven tone, lines & wrinkles, sun damage

KEY INGREDIENTS

Alginate: Derived from brown algae to moisturize, soften & improve elasticity

Acerola Fruit Extract: Helps reduce visible signs of hyperpigmentation & sun damage

Vitamin C: Brightens & defends skin from free radical damage

PROFESSIONAL: 1 gal // pH range: N/A

Ingredients: Alginate (contains Vitamin A and Vitamin B3), Malpighia Glabra (Acerola) Fruit Extract, Vitamin C.

CAUTION: For external use only. If irritation occurs, discontinue use and rinse thoroughly with water. Store in a cool, dry place, away from direct sunlight. Keep out of reach of children.
