

# AML20 (20%) AZELAIC + MANDELIC + LACTIC PEEL SOLUTION

## *Resurface & Brighten*

**Sound bite:** "The no-fear brightening peel."

### ***What is it?***

Triple acid **20% Azelaic + Mandelic + Lactic Peel Solution** reduces inflammation, clarifies pores, and targets hyperpigmentation. Features **alpha hydroxy acids**, soothing **botanical extracts**, and non-irritating form of **vitamin B** to balance tone and texture. *Note: Clients with a history of herpes should inform their physician before scheduling a peel procedure.*

### ***What does it do?***

- Targets dark spots & hyperpigmentation
- Helps reduce redness & inflammation
- Clarifies clogged, enlarged pores
- Evens skin tone & smooths texture

### ***How do I use it?***

Apply after cleansing. Soak a gauze pad with solution and gently apply 2 to 3 layers onto facial area. *Do not use steam before or after peel treatments. Do not allow product to get into eyes. Apply sun protection when using this product.*

### ***What skin types and conditions does it benefit?***

Skin types: Dry, normal, combination, oily

Skin conditions: Acne, hyperpigmentation, uneven tone, sensitivity

### ***KEY INGREDIENTS***

**Azelaic Acid:** Brightens, reduces inflammation & clarifies pores

**Mandelic Acid\*:** Brightens, suppresses hyperpigmentation & enhances cell turnover

**Lactic Acid:** Improves skin tone, smooths texture & reduces the appearance of dark spots

**Licorice Root Extract:** Brightening agent balances skin tone & helps inhibit hyperpigmentation

**Alpha-Arbutin:** Helps fade discoloration while promoting even, clear tone

PROFESSIONAL SIZE: 2 oz // pH range: 3 - 3.5

Ingredients: Pyrus Malus (Apple) Fruit Water, Hyaluronic Acid, Azelaic Acid, Mandelic Acid, Lactic Acid, Glycyrrhiza Glabra (Licorice) Root Extract, Methyl Gluceth-20, Hydrolyzed Oats, Allantoin, Alpha-Arbutin, Xanthan Gum, Sodium Lactate, Sodium PCA, Glycine, Fructose, Urea, Niacinamide (Vitamin B3), Glucose, Glucose Oxidase, Lactoperoxidase.

\*Mandelic acid contains nut extract. Clients with a known allergy to nuts or nut oils should consult their physician before using this product.

**CAUTION:** For external use only. If irritation occurs, discontinue use and rinse thoroughly with water. Store in a cool, dry place, away from direct sunlight. Keep out of reach of children.
