

BETA ACID

Clarify & Soothe

Sound bite: "Banish breakouts."

What is it?

Highly effective exfoliating and clarifying solution features **salicylic** and **lactic acids** to target blemish-prone skin, remove excess oil and pore-clogging debris, and improve the look of scarring and discoloration. Natural **botanical extracts** improve elasticity and encourage a healthier complexion.

Sun protection is recommended when using this product.

What does it do?

- Salicylic acid eliminates excess oil & pore-clogging debris
- Lactic acid improves the appearance of scarring & discoloration
- Targets blemishes & congested skin
- Nourishing botanical extracts promote a healthier complexion

How do I use it?

After cleansing, apply 3-4 drops onto cotton pad and smooth over face as needed. Slight tingling may occur. Discontinue use if skin is too dry. Do not rinse after application. Sun protection is recommended when using this product.

What skin types and conditions does it benefit?

Skin types: Combination, oily

Skin conditions: Acne, blemishes, dullness, hyperpigmentation, congested pores

KEY INGREDIENTS

Salicylic Acid: Refines texture, clears congested pores & helps control oil production

Lactic Acid: Improves skin tone, smooths texture & reduces the appearance of dark spots

Arnica Flower Extract: Anti-inflammatory properties soothe & relieve skin irritation

Chamomile Flower Extract: Rich in B vitamins to calm & soothe skin irritation

Witch Hazel Extract: Soothes & promotes healing while providing antioxidant benefits

RETAIL SIZE: 0.5 oz / PROFESSIONAL: 2 oz // pH range: 2.7 - 3.5

Ingredients: Purified Water, Hamamelis Virginiana (Witch Hazel) Leaf Extract, SD Alcohol, Salicylic Acid, Lactic Acid, Arnica Montana Flower Extract, Cucumis Sativus (Cucumber) Extract, Chamomilla Recutita (Matricaria) Flower Extract, Caprylyl Glycol, Ethylhexylglycerin, Undecylenoyl Glycine, Capryloyl Glycine.
