

# COLLAGEN PEPTIDE SERUM

## *Lift & Firm*

**Sound bite:** "Defy gravity and target sagging, one drop at a time."

### ***What is it?***

Concentrated, creamy serum is a potent blend of **skin-contouring peptides, moisture-binding hyaluronic acid, nourishing ceramides, and marine algae extract** that dramatically improves the appearance of sagging facial contours. Double-encapsulated, timed-release technology provides targeted absorption. Features teprenone, a plant derivative that protects the tips of chromosomes, extending the lifespan of skin cells and facilitating cellular repair.

### ***What does it do?***

- Improves the appearance of sagging facial contours
- Enhances texture & resiliency
- Hydrates & helps skin retain moisture
- Promotes natural elastin & hyaluronic acid synthesis

### ***How do I use it?***

After cleansing and toning, gently pat 1-2 pumps onto face and neck in the morning and at night.

### ***What skin types and conditions does it benefit?***

Skin types: Dry, normal, combination, sensitive

Skin conditions: Dryness, dehydration, sagging, loss of elasticity, sun damage

### ***KEY INGREDIENTS***

**Acetyl Tetrapeptide-2:** Mimics the body's natural youth hormone, thymopoietin; helps boost collagen synthesis while improving tone & texture

**Superoxide Dismutase (SOD):** Superior antioxidant helps repair & protect against oxidative damage

**Teprenone:** Protects tips of chromosomes to extend lifespan of skin cells & facilitate cellular repair

**Ceramide II, Ceramide III:** Moisturize & help protect skin from water loss & dryness

**Epigallocatechin Gallatyl Glucoside (EGCG):** Antioxidant from green tea minimizes lines & dark circles
