

HUNGARIAN ENZYME MASK

Resurface & Detoxify

Sound bite: "How to perfect problem skin? —With papaya, pineapple, and pearl powder."

What is it?

Invigorating powder mask features mineral-rich **thermal mud** and **papaya and pineapple enzymes** to detoxify, clarify, and unclog pores while maintaining the skin's essential moisture levels. **Pearl powder** soothes and brightens problem skin, leaving skin silky soft and smooth. Excellent for blemished, congested, or acne-prone skin.

What does it do?

- Exfoliates, detoxifies & resurfaces facial area
- Clarifies & unclogs congested pores; eases extractions
- Improves absorption & benefits of other skincare products
- Brightens skin tone

How do I use it?

Combine powder mask with water at a 3:1 ratio. Use spatula or fan brush to blend mixture into smooth paste. Cover eye areas with cotton pads, and apply thin paste onto facial area. Steam for 5-10 minutes to activate enzyme exfoliation. Remove with a moistened sponge or warm towel.

What skin types and conditions does it benefit?

Skin types: All skin types

Skin conditions: Congested & clogged pores

KEY INGREDIENTS

Pineapple Enzymes: Promote exfoliation & help reduce inflammation

Papaya Enzymes: Dissolve dead skin cells to improve tone, texture & firmness

Hungarian Thermal Mud: Opens pores, helps eliminate toxins & improves circulation

Pearl Powder: Rich in minerals & amino acids that improve cell metabolism & protect against environmental damage

Sulfur: Eliminates acne-causing bacteria while clearing excess oil & surface skin cell debris

Beta Glucan: Soothes, moisturizes & protects while helping stimulate collagen synthesis

PROFESSIONAL: 3.7 oz // pH range: N/A

Ingredients: Micronized Bromelain (Pineapple Enzyme), Micronized Papain (Papaya Enzyme), Allantoin, Amino Acid Complex, Hungarian Thermal Mud, Pearl Powder, Dipotassium Glycyrrhizinate, Ceramide III, Ceramide VI, Colloidal Sulfur, Bentonite, Beta Glucan.
