

# ISO-CELL RECOVERY SOLUTION

## *Nourish & Soothe*

**Sound bite:** "Healing minerals and synergistic amino acids to the rescue."

### ***What is it?***

Unique recovery solution features 8 synergistic **amino acids** and 8 beneficial **minerals** that include **magnesium, potassium, and zinc** to instantly soothe and support stressed skin. Enhances moisture retention, keeping skin calm and hydrated throughout the day.

### ***What does it do?***

- Hydrates & soothes stressed skin
- Enhances moisture retention
- Calms skin irritation
- Excellent solution after micro peel / IPL / microdermabrasion
- Immediate relief for inflamed, sunburned skin

### ***How do I use it?***

Spray or apply onto affected area to soothe irritation and condition damaged skin. Reapply as needed. Remove excess liquid with a clean gauze pad if necessary. Avoid direct contact with eyes.

### ***What skin types and conditions does it benefit?***

Skin types: All skin types

Skin conditions: Acne, dehydration, irritation, post-extraction, eczema, psoriasis, sun damage

### ***KEY INGREDIENTS***

**Potassium:** Maintains fluid balance to protect & support cell health

**Arginine:** Detoxifies & boosts collagen synthesis to help prevent tissue deterioration

**Magnesium:** Improves cellular functions & blood flow while inhibiting shortening of telomeres

**Sodium PCA:** Attracts moisture from the air to help maintain natural moisturizing factor (NMF)

**Benzalkonium Chloride:** Antiseptic properties help detox & purify

**Zinc Acetate:** Known for promoting skin healing & renewal

RETAIL SIZE: 6 oz / PROFESSIONAL: 16 oz // pH range: 5.1 - 6.1

Ingredients: Deionized Water, Polyol, Glycine, Calcium Chloride, Serine, Potassium Chloride, Alanine, Glucose, Proline, Arginine, Magnesium Chloride, Lysine, Citric Acid, Sodium Citrate, Sodium Acetate, Threonine, Glutamic Acid, Sodium PCA, Sorbitol, Sodium Chloride, Benzalkonium Chloride, Zinc Acetate.

**CAUTION:** For external use only. If irritation occurs, discontinue use and rinse thoroughly with water. Store in a cool, dry place, away from direct sunlight. Keep out of reach of children.
