

O² CALMING GEL

Hydrate & Soothe

Sound bite: "This is how irritated skin stays calm, cool, and protected."

What is it?

Soothing gel contains **hyaluronic acid** and botanical extracts that include **goldenseal, green tea, and aloe** to relieve skin irritation, burning, stinging, and redness, leaving skin calm and moisturized. Antioxidant-enriched, advanced moisture complex intensely hydrates while softening skin for a healthy-looking complexion. Excellent ultrasound gel, aftershave gel, and post-extraction treatment for soothing skin.

What does it do?

- Hydrates & calms skin irritation, burning, stinging & redness
- Moisturizes & plumps dehydrated skin
- Helps defend against environmental & oxidative damage
- Excellent aftershave gel & post-extraction treatment
- Ideal for use with ultrasonic machines

How do I use it?

Apply onto cleansed skin as needed. Do not rinse.

What skin types and conditions does it benefit?

Skin types: All skin types

Skin conditions: Acne, irritation, post-extraction, rosacea, sun damage

KEY INGREDIENTS

Hyaluronic Acid: Plumps & improves skin barrier function by attracting & retaining moisture

Green Tea Extract: Antioxidant properties soothe & protect against environmental damage

Allantoin: Calms mild inflammation irritation while moisturizing & promoting cell renewal

Goldenseal Extract: Anti-bacterial & anti-inflammatory properties soothe skin irritation

Argan Extract: Rich in fatty acids & vitamins to moisturize, nourish & renew

Red Algae Extract: Soothes, moisturizes & softens due to high levels of minerals, proteins & vitamins
