

# PHYTO WHITENING MASK

## *Lighten & Balance*

**Sound bite:** "All-botanical molding mask ignites skin's inner glow."

### ***What is it?***

Concentrated molding mask helps eliminate dead skin cells to reveal softer, healthier-looking skin. Natural **botanical ingredients** and powerful **antioxidants** that include **mulberry extract, saxifrage extract, and vitamin C** minimize the appearance of hyperpigmentation and inhibit melanin production for a brighter, more even-toned complexion.

### ***What does it do?***

- Exfoliates, smooths & softens
- Lightens the appearance of age spots
- Balances uneven skin tone
- Provides antioxidant protection

### ***How do I use it?***

Combine mask with water at 1:1 ratio. Use spatula to blend mixture into a smooth paste. Cover eye areas with cotton pads, and apply paste onto facial area. After 20 minutes, remove mask by slowly peeling from neck toward forehead in one motion. Remove excess mask with moistened sponge or warm towel.

### ***What skin types and conditions does it benefit?***

Skin types: Dry, normal, combination, oily

Skin conditions: Dullness, uneven tone

### ***KEY INGREDIENTS***

**Alginate:** Derived from brown algae to moisturize, soften & improve elasticity
