

SKIN PERFECTER

Cleanse, Exfoliate, Extract & Infuse

Sound bite: "Goes beyond the brush—even extracts blackheads."

What is it?

Ultrasonic, professional beauty tool combines 4 skin treatments into 1 tool to **deep cleanse, exfoliate, extract, and infuse** serums and other topical treatments for smoother, healthier-looking skin. Professional-strength ultrasonic waves gently and visibly improve lines and wrinkles, pores, texture, clarity, and smoothness after every treatment. Non-invasive, rechargeable, and never requires a replacement brush, cartridge, or disc.

What does it do?

- Resonates at 28,000 ultrasonic vibrations per second
- Deep cleanses pores of excess oil & impurities
- Exfoliates cellular debris
- **Painlessly extracts blackheads**
- Reduces the appearance of enlarged pores
- Accelerates the absorption of skincare products

How do I use it?

Cleanse, exfoliate, and extract: Keep skin moist. With spatula tip angled downward, glide spatula from the base of face upward and outward.

Infuse serums or skincare treatments: Apply product to face and neck. Hold the unit with the tip of the spatula flat against the skin. Glide the spatula outward and upward over the face and neck.

What skin types and conditions does it benefit?

Skin types: Dry, normal, combination, oily, sensitive

Skin conditions: Acne, congested pores, enlarged pores, uneven tone, lines & wrinkles

Caution: Keep out of reach of children. Operate this unit only according to its intended use as described in the product manual. Do not use this unit if you have serious allergies, infected skin, or a heart condition. Do not immerse the unit in water. Keep the unit free of lint and hair.
