

VITA-C SERUM

Clarify & Revive

Sound bite: "The ultimate glow-getter."

What is it?

Concentrated serum is enriched with 2 of the most stable forms of **vitamin C** (magnesium ascorbyl phosphate and aminopropyl ascorbyl phosphate), **vitamin E** (tocotrienol), and **B vitamins** (niacinamide and panthenol) to restore a healthy glow, balance uneven tone, and soften roughness. Features **glutathione, superoxide dismutase, and 8 synergistic amino acids** in a powerful complex that helps enhance collagen synthesis for brighter, firmer, more vibrant-looking skin.

What does it do?

- Superior forms of Vitamin C (MAP and AAP) restore radiance
- Clarifies & balances uneven skin tone
- Softens & smooths rough, flaky skin
- Enhances collagen synthesis for bright, firm, vibrant skin
- Helps protect skin from environmental damage

How do I use it?

After cleansing and toning, apply 3-5 drops onto face and neck in the morning and at night. Avoid direct contact with eyes. When using this product, make sure to apply sun protection during the day.

What skin types and conditions does it benefit?

Skin types: Dry, normal

Skin conditions: Uneven tone, dullness, hyperpigmentation, sun damage

KEY INGREDIENTS

Vitamin C (MAP & AAP): Stable vitamin C brightens, helps repair & protect against oxidative damage

Licorice Root Extract: Brightening agent balances skin tone & helps inhibit hyperpigmentation

Vitamin B3 (Niacinamide): Reduces appearance of redness & hyperpigmentation

Arginine: Key amino acid boosts collagen & helps repair damage from environmental factors

Superoxide Dismutase (SOD): Superior antioxidant helps repair & protect against oxidative damage

Glutathione: "Master Antioxidant" helps protect cells from oxidative stress & damage

RETAIL SIZE: 1 oz // pH range: 6.8 - 7.8

Ingredients: Hyaluronic Acid, Magnesium Ascorbyl Phosphate (Vitamin C), Tocotrienol, Sodium PCA, Aminopropyl Ascorbyl Phosphate (Vitamin C), Dipotassium Glycyrrhizate, Algae Extract, Niacinamide, Panthenol, Phospholipids, Mannitol, Glycine, Glutamic Acid, Arginine, Alanine, Aspartic Acid, Lysine, Leucine, Valine, Beta Glucan, Superoxide Dismutase, Glutathione, Glucose, Glucose Oxidase, Lactoperoxidase.

CAUTION: For external use only. If irritation occurs, discontinue use and rinse thoroughly with water. Store in a cool, dry place, away from direct sunlight. Keep out of reach of children.
