

# COLLAGEN PEPTIDE SERUM

SERUM

Lift & Firm

RETAIL 1 oz

**SOUND BITE:** *"Defy gravity and sagging, one drop at a time."*

Concentrated, creamy serum is a potent blend of **contouring peptides, moisture-binding hyaluronic acid, ceramides, and marine algae** that dramatically improves the appearance of sagging facial contours. Double-encapsulated, timed-release technology provides targeted absorption. **Teprenone**, a plant derivative, protects the tips of chromosomes, extending the lifespan of skin cells and facilitating cellular repair.

#### WHAT DOES IT DO?

- Improves the appearance of sagging facial contours
- Hydrates & helps skin retain moisture
- Enhances texture & resiliency
- Promotes elastin & hyaluronic acid synthesis

#### DIRECTIONS

After cleansing and toning, gently pat 1-2 pumps onto face and neck in the morning and at night.

#### SKIN TYPES

dry, normal, sensitive

#### CONDITIONS

dryness, dehydration, loss of elasticity, sagging

#### KEY INGREDIENTS

<b>Acetyl Tetrapeptide-2</b>	Encourages collagen synthesis while improving tone & texture
<b>Palmitoyl Pentapeptide-4</b>	Visibly reduces wrinkle depth, targets sagging & promotes firmness
<b>Teprenone</b>	Protects tips of chromosomes to extend cell lifespan & facilitate cellular renewal
<b>Ceramides NS &amp; NP</b>	Moisturize & help protect skin from water loss & dryness
<b>EGCG</b>	Antioxidant from concentrated green tea minimizes lines & dark circles

**pH RANGE 4.2 - 5.2**

**Ingredients:** Hyaluronic Acid, Acetyl Tetrapeptide-2, Palmitoyl Tripeptide-1, Palmitoyl Tetrapeptide-7, Palmitoyl Pentapeptide-4, Palmitoyl Tripeptide-5, Acetyl Octapeptide-3, Superoxide Dismutase, Epigallocatechin Gallatyl Glucoside, Teprenone, Ceramide NS, Ceramide NP, Hydrolyzed Avocado Protein, Maltodextrin, PEG-10 Rapeseed Sterol, Malus Domestica Fruit Cell Culture Extract, Camellia Sinensis (Green Tea) Leaf Extract, Tocotrienol, Retinyl Palmitate, Sodium Palmitoyl Proline, Butyrospermum Parkii (Shea) Butter, Sodium PCA, Enteromorpha Compressa Extract, Dipalmitoyl Hydroxyproline, Sodium Carboxymethyl Beta-Glucan, Glucosamine HCl, Saccharomyces Lysate Extract, Urea, Glycine Soja (Soybean) Seed Extract, Caprylyl Glycol, Ethylhexylglycerin, Undecylenoyl Glycine, Capryloyl Glycine.
