

ESSENCE MOISTURIZER

MOISTURIZER

Soften & Renew

RETAIL 4.2 oz
PRO 12 oz

SOUND BITE: "Lightweight emulsion whispers 'bye-bye, dry!'"

Anti-aging, peptide-infused emulsion improves firmness, increases elasticity, and reduces the appearance of fine lines, wrinkles, and other signs of aging. Fragrance-free formula features **powerful peptides, potent antioxidants, and replenishing moisturizers** to keep skin soft, smooth, supple, and glowing. An excellent moisturizer for men, too.

WHAT DOES IT DO?

- Improves firmness & elasticity
- Reduces appearance of fine lines & wrinkles
- Hydrates, softens & brightens
- Restores moisture & glow

DIRECTIONS

Use morning and night after cleansing. Apply onto face, neck, and décolleté.

SKIN TYPES

dry, normal, sensitive

CONDITIONS

dehydration, lines & wrinkles

KEY INGREDIENTS

Acetyl Hexapeptide-8	Helps reduce wrinkles associated with continuous facial muscle contractions
DPHP	Plant-derived amino acid firms, moisturizes & minimizes wrinkles
Marine Collagen	Restores moisture to maintain skin softness & elasticity
Superoxide Dismutase	Superior antioxidant helps prevent & combat oxidative damage
Beta Glucan	Soothes, moisturizes & protects skin barrier while encouraging collagen synthesis
Sodium PCA	Attracts moisture from the air to maintain natural moisturizing factor (NMF)

pH RANGE 5.4 - 6.4
