

MOISTURE RESCUE PEEL-OFF MASK

MASK

Plump & Pacify

PRO 0.88 oz powder + 3.38 oz gel

SOUND BITE: "Breathe new life into skin."

Oxygenating marine botanical complex with skin-loving **ANK** (Ascophyllum Nodosum Kelp), **red algae**, and **blue-green algae extracts** from the French Brittany Coast immerses skin in revitalizing, plumping hydration. The synergy of **powder + gel** morphs into a skin-perfecting mask to relieve irritation, burning, and stinging, while reducing signs of premature aging.

WHAT DOES IT DO?

- Waves of moisture plump dry, dehydrated skin
- Instant relief for skin irritation, burning & stinging
- Defends against dryness & environmental damage
- Rescues stressed, post-procedure skin

DIRECTIONS

Pour powder packet into bowl. Add gel packet. Mix and apply evenly with spatula. After 15-20 minutes, remove by peeling from forehead to neck in one motion. Remove excess with moistened sponge.
Do not discard into sink to avoid clogging drain.

SKIN TYPES

dry, normal, combination

CONDITIONS

skin irritation, redness, lines & wrinkles, sun damage, post-procedure

KEY INGREDIENTS

ANK	Vitamins, sea water minerals & amino acids boost circulation & promote cell renewal
Alginate	Defends against dryness & improves elasticity
