

PHYTO WHITENING MASK

MASK

Brighten & Balance

PRO 1 gal

SOUND BITE: "All-botanical mask ignites skin's inner glow."

Concentrated molding mask helps eliminate dead skin cells to reveal softer, healthier-looking skin. Natural **botanical ingredients** and powerful brightening **antioxidants** that include **mulberry extract, saxifrage extract, and vitamin C** minimize the appearance of hyperpigmentation and inhibit melanin production for a brighter, more even-toned complexion.

WHAT DOES IT DO?

- Exfoliates, smooths & softens
- Lightens the appearance of dark spots
- Balances uneven skin tone
- Provides antioxidant protection

DIRECTIONS

Combine mask with water at 1:1 ratio. Use spatula to blend mixture into a smooth paste. Cover eye areas with cotton pads, and then apply paste onto facial area. After 20 minutes, remove mask by slowly peeling from neck toward forehead in one motion. Remove excess with moistened sponge or warm towel.

SKIN TYPES

dry, normal, combination, oily

CONDITIONS

dullness, uneven tone
