AMPOULES

Activate & Regenerate

RETAIL 3 vials of 0.33 oz each

SOUND BITE: "Amp-oules up your anti-aging arsenal."

Reactivate youthful skin with this super-potent rejuvenating serum that harnesses the power of **Alpine rose and argan stem cells**, age-reversing **growth factors**, and revolutionary **mitochondrial peptide** to target lines, wrinkles, and sagging. Groundbreaking TST (transdermal sonication technology) with bilayer encapsulation empowers deeper nutrient absorption for unparalleled suppleness and radiance.

WHAT DOES IT DO?

- Improves appearance of lines, wrinkles & sagging contours
- Promotes collagen synthesis & combats collagen breakdown
- Defends against signs of environmental & UV damage
- Encourages hyaluronic acid synthesis to restore suppleness

DIRECTIONS

After cleansing and toning, apply onto face and neck in the morning and at night. Avoid direct contact with eyes.
