SOUND BITE: "The original OMG mask."

Serum-saturated mask features freeze-dried marine collagen and an advanced microencapsulation delivery system for unparalleled results. Marine collagen, potent peptides, antioxidants, botanical extracts, and a stable form of Vitamin C (MAP) help hydrate, brighten, and firm. Reduces the appearance of fine lines and wrinkles after one application.

WHAT DOES IT DO?

- Deeply hydrates, conditions & calms
- Visibly brightens & clarifies complexion
- Improves firmness & visibly minimizes fine lines
- Combats oxidative damage & visible signs of aging

DIRECTIONS

Peel mask from paper backing. Apply gel side of mask onto face. Avoid direct contact with eyes. Remove after 15-20 minutes. Do not rinse.
Tip: Place gauze layer on neck and décolleté for serum benefits.
