

# BOTO-NEEDLE LINE ERASE EYE MASK

MASK

Lift & Firm

RETAIL 1 pair

**SOUND BITE:** "Precision infusion to lift, smooth & firm"

Bio-available micro needles dissolve into skin to smooth fine lines and wrinkles around eye areas. Fast-tracks the delivery of line-filling hyaluronic acid and skin-transforming peptides to alleviate puffiness, lines, and dark circles, while stimulating skin around eyes for a lifted, rejuvenated appearance.

## WHAT DOES IT DO?

- Helps lift & firm eye contours
- Plumps away fine lines while reducing puffiness
- Moisturizes, brightens & energizes skin
- Boosts absorption of underlying serum or eye cream

## DIRECTIONS

Remove adhesive strip from edge of masks. Press masks gently onto cleansed, dry skin. For optimal results, apply serum or eye cream and let dry before applying masks. (Note: if skin is wet before application, adhesive will not stick.) Leave masks on for a minimum of 30 minutes, or overnight.

## SKIN TYPES

All skin types

## CONDITIONS

Lines & wrinkles, puffiness, dark circles, loss of firmness & elasticity

## KEY INGREDIENTS

<b>Hyaluronic Acid</b>	Intensely hydrates & improves skin barrier by attracting & retaining moisture
<b>Niacinamide</b>	Soothes inflammation, reduces discoloration, fine lines & expression lines
<b>Acetyl Hexapeptide-8</b>	Reduces lines & wrinkles associated with repeated facial muscle contractions
<b>Glutathione</b>	"Master Antioxidant" protects cells from oxidative stressors
<b>Ceramides EOP, NS, NP</b>	Moisturize & help protect skin from water loss & dryness

**pH RANGE** N/A

**Ingredients:** Oryza Sativa Bran Water, Hyaluronic Acid, Water, sh-Polypeptide-1, Niacinamide, Sodium Hyaluronate, Glutathione, Ceramide EOP, Ceramide NS, Ceramide NP, Phospholipids, sh-Oligopeptide-1, sh-Oligopeptide-2, Acetyl Hexapeptide-8, Caprylyl Glycol, Ethylhexylglycerin, Undecylenoyl Glycine, Capryloyl Glycine.
