

# BRIGHTENING SERUM

SERUM

Brighten & Balance

RETAIL 1 oz

**SOUND BITE:** "Skin that glows from within."

Powerful, skin-lightening creamy serum contains advanced brightening agents and potent peptides to minimize the appearance of dark spots and hyperpigmentation, improve uneven skin tone, and visibly brighten and revive dull, lackluster skin. Continued use boosts radiance and restores vitality for a vibrant, youthful appearance. Features plant-derived teprenone to help facilitate cellular renewal.

#### WHAT DOES IT DO?

- Brightens dull, lackluster skin
- Minimizes dark spots & improves uneven skin tone
- Results have shown 80% reduction in melanin synthesis
- Shown to visibly reduce dark spots by 42-56%

#### DIRECTIONS

After cleansing and toning, gently pat 1-2 pumps onto face and neck. Apply at night only. Sun protection is recommended when using this product.

#### SKIN TYPES

dry, normal, combination

#### CONDITIONS

uneven tone, hyperpigmentation, sun damage
