SET

Detox & Purify

SOUND BITE: "Acne Rehab."

Essential 4-piece system is designed to soothe and visibly improve the appearance of blemish-prone skin while targeting blemishes, excess oil, and pore-clogging debris. Use daily for a clearer, smoother, and healthier-looking complexion.

WHAT DOES IT DO?

- Targets congested, enlarged pores
- Clears excess sebum & pore-clogging debris
- Improves the appearance of blemish-prone skin
- Supports cell turnover for a healthier-looking complexion

CONTENTS

Exfoliating Cleansing Gel (6 oz)
Iso-Cell Recovery Solution (6 oz)
Beta Acid (0.5 oz)
A&E Corrector (1 oz)

SKIN TYPES

combination, oily

CONDITIONS

blemishes, congested pores, enlarged pores, skin irritation

FEATURES AND BENEFITS

EXFOLIATING CLEANSING GEL

Oil-free cleanser with salicylic and lactic acids washes away excess oil and pore-clogging debris, leaving skin refreshed and hydrated.

ISO-CELL RECOVERY SOLUTION

Unique skin-soothing spray features nourishing minerals and amino acids to deeply hydrate, relieve redness, and calm stressed skin.

BETA ACID

Exfoliating solution with salicylic and lactic acids targets excess oil and pore-clogging debris to visibly improve the appearance of blemish-prone skin.

A&E CORRECTOR

Powerful spot treatment with salicylic acid, minerals, and botanical extracts zeroes in on clogged pores and blemishes. Designed to help minimize the appearance of blemishes while supporting cell turnover.
