

# VITA-C CLEAR SKIN PAD

EXFOLIANT

**Resurface &  
Brighten**

**RETAIL** 2 oz solution, 30 pads

**PRO** 4 oz solution, 60 pads

**SOUND BITE:** "Touch of radiance."

Triple-action exfoliant gently resurfaces, brightens, and treats visible signs of aging, all in a single pad. Features natural citric, lactic, tartaric, and glycolic acids for smoothing fine lines and tightening pores, the most stable form of vitamin C (MAP) to brighten and minimize hyperpigmentation, and powerful antioxidant superoxide dismutase (SOD) to help combat oxidative damage for a healthy, youthful-looking complexion.

#### WHAT DOES IT DO?

- Resurfaces for fast, effective absorption of nutrients
- Helps smooth fine lines, clears & tightens pores
- Brightens & minimizes the appearance of discoloration
- Combats environmental damage

#### DIRECTIONS

Pour solution into jar of pads. Use 1-2 saturated pads to perform 2-3 passes on face and neck. Do not rinse. Recommended for use in the evening, 1-2 times a week for sensitive or dry skin. May be applied daily for oily skin. *Sun protection is recommended when using this product.*

#### SKIN TYPES

dry, normal, combination, oily

#### CONDITIONS

dullness, enlarged pores, lines & wrinkles, sun damage
