SKIN TYPE	BENEFITS	TIPS
Normal Combination Oily Acne Sensitive	<ul style="list-style-type: none"><li>• A tinted SPF 30+ sun protection cream that evens skin tone, provides antioxidant protection, and combats UV damage with a matte finish.</li><li>• A complex blend of vitamins and antioxidants promote a healthier complexion.</li></ul>	Apply <b>Vita-C Skin Protective Crème</b> daily before sun exposure.

### HOW TO USE:

Gently apply **Vita-C Skin Protective Crème (Natural Tinted)** over the face, neck, and décolleté area before sun exposure.

KEY INGREDIENTS	FUNCTION
<b>Micronized Titanium Dioxide</b>	A non-comedogenic mineral reflects UV light to protect against premature signs of aging.
<b>Micronized Zinc Oxide</b>	A non-irritating and non-allergenic inorganic compound protects against both UVA and UVB damage.
<b>Magnesium Ascorbyl Phosphate</b>	The most superior form of Vitamin C to penetrate the skin 31 times faster than traditional forms of Vitamin C such as L-Ascorbic Acid. When combined with sunscreen, Magnesium Ascorbyl Phosphate heightens sun protection properties.
<b>Tocotrienol (Vit. E)</b>	A powerful antioxidant works to repair and prevent signs of premature aging. This free radical neutralizer also protects the fragile lipid layer for skin that's left velvety soft.

**WARNING:** If you experience irritation, discontinue use and rinse thoroughly with water. If direct contact with eyes occurs, immediately wash eyes thoroughly with water. Store in a cool place; away from direct sunlight and high temperatures. Keep out of reach of children.
