

Purity Renewing Essential Oil

Clear your mind, create balance, and make a fresh start with this renewing, woody blend of synergistic exotic oils that include **Sandalwood, Patchouli, Melaleuca, Carrot Seed, and Frankincense**. Mix a few drops into lotions or creams, use in a diffuser, or simply inhale the lush aromas to help dispel confusion and promote a sense of strength and stability.

Mind & Mood Benefits - Highlights

Sandalwood: enhances concentration, alleviates anxiety, and creates a sense of composure

Patchouli: uplifts the mind and helps clarify thoughts

Melaleuca: relieves congestion and promotes well-being

Carrot Seed: clears negative energy and inspires creativity

Frankincense: enhances focus and elevates the mind

Cabbage Rose: inspires harmony and strengthens the heart and mind

Matricaria: dispels anger and stabilizes emotions

Lavender: soothes, steadies the mind, and improves concentration

Wild Geranium: balances the emotions and lifts the spirit

Grapefruit: refreshes, uplifts, and helps alleviate stress

Directions:

Mix a few drops into lotions or creams, use in a diffuser, or simply inhale the lush aromas to help dispel confusion and promote a sense of strength and stability. **DO NOT APPLY DIRECTLY ONTO SKIN.**
