

# PEEL SOLUTIONS

Le Mieux Peel Solutions accelerate cell renewal to reveal clearer, smoother, more evenly pigmented skin, with no down time. Each skin-perfecting hydroxy acid blend delivers controlled exfoliation as niacinamide and hyaluronic acid mitigate inflammation, prevent hyperpigmentation, and boost skin hydration.

## PEEL PREP

Apply prep solution to cleansed skin prior to Le Mieux Peel Solutions.

## PEEL SOLUTIONS

Choose a specific peel solution or blend two peel solutions for custom exfoliation according to client's concerns. Review [Le Mieux Peel Solutions Guide](#) to learn more.
