

THE SERUM TRINITY

Creamy, ceramide-infused serums enhanced with Teprenone and Apple Stem Cells.

Directions: Apply alone, blend, layer over other serums, or use as lightweight moisturizers.

Apply **Brightening Serum** and **Retinol Serum** at night only.

BRIGHTENING SERUM

Illuminating serum with multiple brightening agents, powerful peptides, and 5% Azelaic Acid helps fade away hyperpigmentation and improve uneven skin tone for brighter, radiant skin.

ACTION

- Minimizes dark spots
- Improves UV damage
- Brightens uneven skin

FOR

Normal to dry
Dull skin
Hyperpigmentation
Uneven skin tone

PRO TIP

Prep with **Brightening Cleanser** & **Brightening Toner**.

COLLAGEN PEPTIDE SERUM

Moisture-boosting serum with 6 peptides, ceramides and skin-fortifying teprenone helps promote collagen and elastin synthesis and intensify suppleness for a firmer, lifted, ageless look.

ACTION

- Improves firmness
- Hydrates and plumps
- Gives skin a lifted look

FOR

Normal to dry
Loss of elasticity
Lax skin
Aging skin

PRO TIP

Plump up volume by layering onto **TGF-β Booster**.

RETINOL SERUM

Skin-refining serum with triple-tier delivery system enhances the effects of 0.5% Retinol, peptides, and Apple Stem Cells to smooth out wrinkles, tighten skin, and improve texture.

ACTION

- Resurfaces and renews
- Softens visible lines
- Boosts cellular turnover

FOR

Normal to dry
Signs of aging
UV damage
Lackluster skin

PRO TIP

Advise clients to gradually introduce into nightly routine.

SPECIALITY SERUMS

Next generation serums for next level results.

Directions: on clean skin, apply alone, blend, layer, or use with

Oh My Glow Activator in **Ionized Oxygen Infuser**.

OH MY GLOW SERUM

Line-filling serum with moisturizing Hya10+ Complex, Niacinamide, and Tranexamic Acid volumize skin as Diamond Power diffuses a healthy-looking, luminous glow.

ACTION

- Plumps and volumizes
- Improves radiance
- Time-released hydration

FOR

Normal to dry
Lines and wrinkles
Dull skin
Dehydrated skin

PRO TIP

Use with **Oh My Glow Activator** in **Ionized Oxygen Infuser**.

STEMCELL EGF

Super-potent serum with Epidermal Growth Factor, Alpine Rose Stem Cells, and powerful peptides promotes collagen synthesis to re-activate visibly youthful-looking skin.

ACTION

- Energizes cell renewal
- Supports skin recovery
- Rejuvenates aging skin

FOR

Normal to dry
Deep signs of aging
Lackluster skin
Non-breakout-prone

PRO TIP

Advise as home care to boost professional treatment.
