

HUNGARIAN ENZYME MASK MIXOLOGY

Mineral-rich thermal mud, papaya and pineapple enzymes gently exfoliate, detoxify, and unclog pores. Excellent for sensitive, congested, or breakout-prone skin. Keep this exfoliating mask hydrated and process for 10 minutes for best results.

Directions: Mix one scoop Hungarian Enzyme Mask with water or try one of our Le Mieux mixes to boost your results.

O² CALMING GEL

Cooling gel mixture helps to calm sensitive, irritated skin and makes mask removal a breeze.

ISO-CELL RECOVERY SOLUTION

Essential minerals and amino acids are the perfect partner to balance this enzymatic treatment.

BRIGHTENING TONER

Give enzymes a brightening boost with 2% mandelic acid, vitamin C, and tranexamic acid.

PURERB BUBBLE MINERAL ESSENCE

Soothing mineral essence adds an effervescent fizz to mask as a great prep for extractions.

ISO-ROSE HYDRATING MIST

Bulgarian rose stem cells, minerals, and amino acids help soothe dehydrated, irritated skin.
