

# CLEANSERS

Le Mieux cleansers help balance skin type and treat skin concerns while respecting skin's natural lipid barrier and pH balance. Use twice daily, followed by serums and moisture. Add **Microderm Exfoliant** or **Peel Solutions** to enhance exfoliation.

## PEPTIDE FOAM CLEANSER

Hydration-boosting peptides and botanical oils help foam away impurities and improve moisture retention, elasticity, and firmness.

### ACTION

- Promotes firmness
- Soothes and softens
- Removes makeup

### FOR

All skin types  
Loss of firmness  
Signs of aging

### PRO TIP

Use on wet cotton to remove eye makeup.

## PHYTO-NUTRIENT CLEANSING GEL

Skin-balancing micro-bubbles attract and carry away dirt, debris, and makeup. Nourishing green, brown, and red algae extracts leave skin calm and balanced.

### ACTION

- Deep cleanses enlarged pores
- Degreases without stripping oils
- Eyelash extension safe

### FOR

Normal  
Combination  
Oily

### PRO TIP

Add **Microderm Exfoliant** for an exfoliating boost.

## BRIGHTENING CLEANSER

Illuminating gel cleanser with skin-perfecting mandelic acid removes makeup and impurities while fading away dullness and dark spots, leaving skin smooth and glowing.

### ACTION

- Boosts clarity and radiance
- Fades discoloration
- Removes makeup and impurities

### FOR

All skin types  
Dullness, uneven tone  
Hyperpigmentation

### PRO TIP

Mix with **Peptide Foam Cleanser** to boost hydration.

## EXFOLIATING CLEANSING GEL

Deep pore cleanser minimizes clogged pores and eliminates excess oil. Salicylic and lactic acids balance skin and help keep breakouts at bay.

### ACTION

- Balances combo skin
- Clears pore-clogging debris
- Eliminates excess oil

### FOR

Normal, combination, oily  
Clogged pores  
Breakout-prone

### PRO TIP

Excellent de-greasing prep for professional exfoliation.
