

# EXFOLIANTS

Pads, peels, and scrubs, oh my! Whichever exfoliant suits your skin best, you'll decongest pores, remove dead surface skin cells, and smooth the way for the most effective absorption of nutrients and an unforgettable glow. Use 2-3 times per week at night after cleansing.

## MICRODERM EXFOLIANT

Skin-beautifying scrub targets congested pores, reduces appearance of enlarged pores, enhances skin tone and texture.

### ACTION

- Reduces pore size
- Balances skin tone
- Boosts radiance

### FOR

Dry, normal, combo  
Fine lines, roughness  
Non-breakout-prone

### PRO TIP

Mix into cleansing gel for an exfoliating boost.

## PERFECT RENEWAL

Gentle solution with 10% mandelic acid targets congested pores and excess oil, evens out skin tone, and restores a radiant glow.

### ACTION

- Targets breakouts
- Improves radiance
- Smooths fine lines

### FOR

All skin types  
Hyperpigmentation  
Blemish-prone

### PRO TIP

Use on face and neck to reduce blemishes, including back acne.

## VITA-C CLEAR SKIN PAD

Multi-function pads resurface, brighten, and treat visible signs of aging for tighter, firmer, smoother, more youthful-looking skin.

### ACTION

- Gently resurfaces
- Reduces fine lines
- Fades discoloration

### FOR

All skin types  
Smooths fine lines  
Fades dark spots

### PRO TIP

Use with **Vita-C Serum** for a brightening boost.

## SKIN CLARIFYING PAD

Papaya enzymes, salicylic, lactic, and tartaric acids help relieve mild skin irritation and help prevent future breakouts.

### ACTION

- De-clogs pores
- Improves clarity
- Balances oiliness

### FOR

Combination, oily  
Congested pores  
Breakout-prone

### PRO TIP

Use on face and neck or as a targeted spot treatment.

## BETA ACID

Exfoliating and clarifying salicylic and lactic acids target blemish-prone skin and remove excess oil and pore-clogging debris.

### ACTION

- Targets blemishes
- Clarifies pores
- Removes excess oil

### FOR

Combination, oily  
Breakout-prone skin  
Congested pores

### PRO TIP

For breakout-prone skin, apply under **Icy Revitalizing Mask**.

## 5% GLYCO POLYMER SOLUTION

Multi-tasking micropeel with glycolic acid refines uneven texture while helping minimize pore size and signs of aging.

### ACTION

- Refines texture
- Minimizes fine lines
- Reduces dark spots

### FOR

All skin types  
Breakout-prone  
Signs of aging

### PRO TIP

Use alone or mix with an exfoliating pad solution.
