

TONERS

Soothe, hydrate, and infuse a layer of hydration with award-winning toners that leave skin deeply hydrated, radiant, and ready for the next step in a skin-perfecting regimen.

ISO-CELL RECOVERY SOLUTION

Drench skin cells in a shower of healing minerals to instantly soothe stressed skin, diminish redness, leaving a radiant, dewy glow.

ACTION

- Soothes irritation
- Accelerates recovery
- Weightless hydration

FOR

All skin types
Stressed, dehydrated
Oily, breakout-prone

PRO TIP

Use liberally post procedure to soothe skin and accelerate skin recovery.

ISO-ROSE HYDRATING MIST

Tame angry, stressed skin with minerals and Alpine rose stem cells to relieve inflammation, as rose aromas soothe and uplift.

ACTION

- Helps moisture retention
- Hydrates and soothes
- Rose aroma eases stress

FOR

All skin types
Stressed, dehydrated
Signs of aging

PRO TIP

Mix with serum in **Ionized Oxygen Infuser** for an aromatherapy boost.

ESSENCE TONER

Serum-infused facial elixir with peptides, minerals, and hyaluronic acid helps reduce the look of lines, wrinkles, and discoloration.

ACTION

- Balances moisture levels
- Improves radiance
- Targets fine lines

FOR

All skin types
Lines and wrinkles
Dull, dehydrated

PRO TIP

Use as a peptide-infused, mineral-packed base in **Ionized Oxygen Infuser**.

BRIGHTENING TONER

Exfoliating toner with mandelic acid, bearberry, and papaya brightens, reduces dark spots, and balances uneven skin tone.

ACTION

- Gently resurfaces
- Fades dark spots
- Combats oxidative damage

FOR

All skin types
Hyperpigmentation
Breakouts

PRO TIP

Use **Brightening Cleanser**, apply toner, and follow with **Brightening Serum**.

OH MY GLOW ACTIVATOR

Skin-strengthening kombucha, manganese, and Hyal0+ Complex volumize skin, while diamond powder diffuses a luminous glow.

ACTION

- Plumps and volumizes
- Reduces redness
- Creates luminous glow

FOR

All skin types
Signs of aging
Hyperpigmentation

PRO TIP

Mix activator with **Oh My Glow Serum** in **Ionized Oxygen Infuser**.
