

HAIR CARE

Strengthening Shampoo

fuller-looking hair starts here

Thinning, fragile hair in need of a boost?

Start at the scalp. This invigorating, detoxifying shampoo is formulated with anti-thinning BioGro Peptide and stimulating tea tree to refresh the scalp, strengthen follicles, and enhance the look of hair thickness and fullness.

Red ginseng extract and rosemary leaf help improve microcirculation and protect against environmental stressors. Tea tree leaf, panthenol, and quercetin soothe irritation, reduce redness, and maintain a balanced, healthy-looking scalp, supporting the appearance of stronger, fuller hair with every wash.

best for

people with thinning hair and breakage

detoxifying and invigorating the scalp

hair lacking thickness and fullness

directions

Massage into wet hair and scalp. Rinse thoroughly. Follow with Kizo Lab Strengthening Conditioner.

key ingredients

oligopeptide-224	helps minimize visible hair thinning and supports the look of fuller-looking hair
tea tree leaf oil	anti-bacterial and anti-inflammatory agent reduces irritation and redness
red ginseng extract	improves microcirculation, nourishes follicles, and encourages hair density
quercetin	helps inhibit inflammation and guards against hair thinning and hair loss
