TONER

# Brightening Toner

## Illuminate & Restore

AWARD WINNER

**sound bite:** *"Radiance elixir."*

Skin-perfecting, illuminating toner targets discoloration and dark spots while brightening and balancing uneven skin tone.

Mandelic acid, vitamin C, and brightening botanicals including papaya, licorice root, and bearberry extracts improve texture and increase radiance.

### what does it do?

- Visibly brightens & evens out complexion
- Fades the appearance of dark spots & discoloration
- Helps protect against signs of oxidative damage
- Hydrates & maintains natural moisturizing factor

### directions

After cleansing, apply onto face, neck, and décolleté. Sun protection is recommended when using this product.

### key ingredients

| | |
|---|---|
| **Mandelic Acid (2%)** | Brightens, targets blemishes, suppresses hyperpigmentation & enhances cell turnover |
| **Vitamin C** | Illuminates & defends skin from free radical damage |
| **Papaya Enzymes** | Promote exfoliation & provide antioxidant benefits |
| **Bearberry Extract** | Brightens, minimizes hyperpigmentation, boosts clarity & radiance |
