

## MOISTURIZER

# Essence Moisturizer

Soften & Renew

**sound bite:** "Lightweight emulsion whispers bye-bye, dry."

Anti-aging, peptide-infused emulsion with multiple forms of hyaluronic acid improves firmness, increases elasticity, and reduces the appearance of fine lines, wrinkles, and other signs of aging.

Fragrance-free formula features powerful peptides, potent antioxidants, and replenishing moisture-boosters to keep skin soft, smooth, supple, and glowing. An excellent moisturizer for men, too.
