

## MASK

# Hydra Azulene Gel Masque

Hydrate & Calm

**sound bite:** “Cool drink of water for thirsty, stressed skin”

Calming gel masque is formulated with over a dozen botanical extracts to hydrate, calm, and replenish dry, rough skin.

Hyaluronic acid promotes soft, supple skin while providing a relaxing, cooling treatment for all skin types. Ideal after treatments such as peels, extractions, waxing, or exfoliation.

### what does it do?

Hydrates & soothes irritated, post-procedure skin

Helps maintain essential moisture balance

Improves firmness & suppleness

Moisturizes & replenishes dry, rough skin

### directions

Use mask brush to apply onto face and neck. After 15-20 minutes, remove with wet sponge or towel.

### key ingredients

**Azulene** Soothes sensitive, inflamed, sun-damaged skin

**Hyaluronic Acid** Attracts & retains moisture to plump & improve barrier function

**Papaya Enzymes** Dissolve dead skin cells while improving tone, texture & firmness
