

## MASK

# ProFerm Neck Contour Mask

Tighten & Firm

**sound bite:** "Probiotic tightening & firming treatment"

Tightening and firming probiotic neck mask features fermented red ginseng and green tea to accelerate the delivery of transformative actives and powerful botanicals.

Antioxidant-rich goji berry and line-plumping dendrobium orchid team up with copper tripeptide-1, moisture-locking ceramides, hyaluronic acid, and skin-firming peptides, for smooth, supple neck contours.

### what does it do?

Minimizes appearance of neck lines, sagging & crepiness

Helps prevent the breakdown of collagen & elastin

Potent botanical extracts enhance texture & firmness

Helps safeguard skin from environmental & UV damage

### directions

Remove protective backing. Apply gel-like side of mask onto neck, and then remove opposite protective layer. Remove mask after 15-20 minutes. Do not rinse.

### key ingredients

#### Fermented Red Ginseng

Brightens, soothes, improves circulation & provides antioxidant benefits

#### Copper Tripeptide-1

Encourages collagen & elastin synthesis, provides antioxidant protection

#### sh-Oligopeptide-1

Bio-identical, lab-synthesized peptide mimics EGF to promote skin repair & renewal

#### Dendrobium Orchid

Plumps fine lines & locks in moisture
