PEEL

S2 (2%) Salicylic Peel Solution

Resurface & Clarify

sound bite: *"Banish breakouts."*

Exfoliating and clarifying peel solution with salicylic and lactic acids targets excess oil and congested pores while improving the appearance of scarring and discoloration.

Natural botanical extracts include arnica flower and chamomile to help relieve inflammation and improve the appearance of blemish-prone skin.

what does it do?

Salicylic acid eliminates excess oil & pore-clogging debris
Lactic acid improves appearance of scarring & discoloration
Botanical extracts help ease inflammation
Improves the appearance of blemish-prone skin

directions

Review Peel Solutions Guide prior to applying peels. Contraindications include but are not limited to impaired barrier function, recent professional or medical treatments, and prescription or over-the-counter retinoids.
