<b>Home Care:</b> <ul style="list-style-type: none"> <li>• Phyto-Marine Cleansing Lotion</li> <li>• Iso-Cell Recovery Solution</li> <li>• O<sup>3</sup> Calming Gel if redness persists</li> <li>• Hyaluronic Serum</li> <li>• Derma Relief Serum</li> <li>• EGF-DNA</li> <li>• Collagen Peptide Serum *</li> </ul> <p>*After 5-7 days, gently apply <b>Collagen Peptide Serum</b> over targeted areas.</p>		

### PROCEDURE

1	<b>Cleanser</b>	3-4 min	Cleanse the facial area with <b>Phyto-Marine Cleansing Lotion</b> . Pat dry.
2	<b>Toner</b>	1-2 min	Spray <b>Iso-Cell Recovery Solution</b> onto hands, then pat onto client's face.
3	<b>Serum</b>	1-2 min	Gently apply 2-3 drops of <b>Hyaluronic Serum, Derma Relief Serum, and StemCell EGF</b> onto client's face, neck, and décolleté, layering serums in that order.
4	<b>Mask</b>	15-20 min	Apply <b>Moisture Infusion Mask</b> onto face. Remove after 15 minutes. Do not rinse.
5	<b>Hydration</b>	1 min	Gently apply <b>Marine Collagen Peptide Serum</b> onto client's face, neck, and décolleté.
6	<b>Sun Care</b>	1-2 min	Complete procedure by applying <b>Vita-C Skin Protective Crème</b> .

## Calming & Renewing Post-Procedure Products

### 1. Phyto-Marine Cleansing Lotion

Cream-based marine-vegetal formulation gently melts away surface impurities while soothing and nourishing the epidermal cell layers. **Marine collagen, powerful antioxidants, and 7 exotic botanical oils** leave skin feeling soft, smooth, and hydrated.

### 2. Iso-Cell Recovery Solution

Unique recovery solution with **8 beneficial minerals and 8 synergistic amino acids** instantly soothes and nourishes stressed skin. Enhances moisture retention, keeping skin calm and hydrated throughout the day.

### 3. StemCell EGF

Super potent serum features age-reversing peptides, stem cells, and powerful growth factors to encourage the regeneration of new surface cells for radiant, younger-looking skin. Features groundbreaking follicular transdermal technology.

### 4. Hyaluronic Serum

Hyaluronic-acid-based complex intensely hydrates while smoothing fine lines. Features **vitamin E** (tocotrienol) and **4 botanical extracts** for balanced, healthy-looking skin.

### 5. Derma Relief Serum

Lipid replacement serum provides instant relief for dry, stressed skin. Features powerful **ceramides**, a superior form of **Vitamin E**, and **13 exotic oils** including argan oil and kukui nut oil to calm irritated skin after peel, laser, or IPL microdermabrasion procedures.

### 6. Moisture Infusion Mask

Serum-infused mask soothes and hydrates dry, sensitive, and stressed skin. Features **3 anti-aging peptides**, a stable form of **vitamin C (MAP)**, **8 botanical extracts**, and **marine collagen** to promote collagen synthesis. Ideal after peel, IPL, or microdermabrasion procedures.

### 7. Marine Collagen Peptide Serum

Potent blend of **3 skin-contouring peptides, hyaluronic acid, nourishing ceramides, antioxidant vitamins, and algae extract** improves the appearance of sagging facial contours and helps restore resiliency. Hydrates and moisturizes, leaving skin smooth, supple, and healthy-looking.

### 8. Vita-C Skin Protective Crème

Lightweight cream provides environmental protection for normal or dry skin that needs an extra boost of intense hydration. Features **kukui nut oil and jojoba oil** to help keep skin hydrated, and **Vitamin C (MAP)** to brighten skin tone.
