

# Platinum Youth Restore & Contour

This lifting and contouring facial showcases the latest innovations from Platinum Pro Collection to visibly tighten, firm, counteract signs of environmental damage, and encourage recovery and renewal.

Platinum Pro Collection features concentrated formulas with Hya10+ Complex, a science-driven bio-cellular base containing 10 forms of hyaluronic acid boosted by powerful galactomyces ferment filtrate, designed to work with skin's own cellular systems for enhanced hydration, nourishment, and recovery.
