Collagen Peptide Serum
Eye Wrinkle Corrector

Weekly
Perfect Renewal (1-2x/wk)
Bio Cell+ Mask (1-2x/wk)

- 1 **Cleanse & Exfoliate** Mix **Brightening Cleanser** with ½ tsp **Microdermabrasion Scrub**. GENTLY massage with VERY LIGHT, NON-AGGRESSIVE movements. Rinse well with cool water and pat dry.
- 2 **Tone** Spray **Iso-Cell Recovery Solution** liberally onto skin.
- 3 **Extract** Perform extractions using **Iso-Cell Recovery Solution** and **Skin Perfecter**. When completed, wipe skin with **Iso-Cell Recovery Solution** and a clean cotton pad.
- 4 **Brighten** Soak a gauze pad with **AML20** and apply onto facial area. Do not let product get into eyes. Allow to dry completely, using a hand-held fan if necessary. (Option: if skin is tolerant, repeat with a second layer of **AML20**.) Once skin is dry, remove solution and rinse thoroughly with cool water.
- 5 **Hydrate** Spray **Iso-Cell Recovery Solution** liberally onto skin.
- 6 **Serum** Blend **Hyaluronic Serum** and **Vita-C Serum**. Apply to face, neck, and décolleté.
- 7 **Mask** Apply **Bio Cell+ Mask** over serum and leave on 15-20 minutes. Remove mask and apply **Brightening Toner**.
- 8 **Eye Care** Lightly tap **Eye Wrinkle Corrector** around the orbital region.
- 9 **Moisturize** Apply 1-2 pumps **Collagen Peptide Serum**.
- 10 **Environmental Defense** Spritz skin with **Skin Protective Emulsion**.
