## HOME CARE PRODUCTS

**Daily**  
Phyto-Nutrient Cleansing Gel  
Essence Toner  
Rx Complex Serum  
Essence Moisturizer  
Vita-C Skin Protective Crème

**Weekly**  
Retinol Serum (2-3x/wk)

- Cleanse** Cleanse skin with **Exfoliating Cleansing Gel**. Rinse thoroughly with cool water. Pat dry.
- Tone** Spray **Iso-Cell Recovery Solution** liberally onto skin.
- Exfoliate** Saturate a cotton pad with **S2 Salicylic Peel Solution** and smooth over skin. Do not get product into eyes. Allow to dry completely, using a handheld fan if necessary. Do not rinse.
- Micro-dermabrasion** Following manufacturer directions, perform microdermabrasion treatment.
- Tone** Using cool water, lightly wipe skin clear of any residue. Follow with **Essence Toner**, or spray **Iso-Cell Recovery Solution** liberally onto skin.
- Serum** Apply **EGF-DNA** onto face and lightly massage into skin.
- Mask** Apply **Bio Cell+ Mask**. Leave on 15-20 minutes, then remove. Do not rinse.
- Eye Care** Lightly tap **Eye Wrinkle Corrector** around the orbital region.
- Moisturize** Apply **Bio Cell Rejuvenating Cream**.
- Environmental Defense** Spritz skin with **Skin Protective Emulsion**.
